

## Junior National Results 2012

Lauren Douce started the day off really well winning 3<sup>rd</sup> place Bronze in the girls U24kg, Jake Owen carried on the good form in the Boys U35kg bringing home another 3<sup>rd</sup> place Bronze. Callum Saxelby fought in the Boys U40kg which was a tough group. Greg Burton and Kieron Smythe fought in the Boys U45kg, this was a hard group for Greg as he was one of the youngest in the group but he won one fight out of three and should be very proud of himself, Kieron on the other hand is a very experienced player and brought back the Gold with an amazing Ippon! The day finished on a high with Tom Burton competing in the Boys U70kg and bringing home the Gold, he's showing a lot of improvement which seems to be paying off.

Keep up the hard work everyone!!
